

## KŌTUKU COWL

Designed by Jessicah Win

### MATERIALS:

- Zealana Artisan HERON (80% Merino, 20% Brushtail Possum; 109yds / 100m per 50 grams)
- Two 50g balls of H04- Red chilli
- US size 9 (5.5mm) 24" / 60cm circular needles
- Darning needle

### GAUGE:

Three repeats of pattern equals 7cm after blocking.

TAKE TIME TO CHECK YOUR GAUGE.

### FINISHED SIZE:

One size fits all. Block to 32cm x 28cm.

### PATTERN:

Cast on 112 stitches using the backward loop method (aka the thumb method).

This gives a thin flexible edging that blends into the lace pattern.

Join to work in the round.

**Row 1:** \*p1, sl 1 pwise, k2, pss0\* repeat until end

**Row 2:** \*p1, k1, yo, k1\* repeat until end

**Row 3:** \*p1, k3\* repeat until end

**Row 4:** \*p1, k3\* repeat until end

Work Rows 1-4 15 times in total, then work Row 1, one more time.

Cast off as follows to match the cast on edge: leaving a tail 3 x the length of work, cut yarn and thread needle. Work from the left needle with the right side of the knitting facing you.

Insert sewing needle in the second stitch as if to knit and pass through, drawing yarn snug.

Insert the sewing needle into the first stitch as if to purl and pass through drawing yarn snug and dropping the first stitch off the needle.

Repeat steps 1 and 2 until all stitches are cast off.

Weave in ends.

### KNITTING ABBREVIATIONS

**K:** Knit

**P:** Purl

**Sl 1 pwise:** with yarn held as if to knit to avoid bar across front of knitting, slip 1 stitch purlwise

**Pss0:** Pass slipped stitch over

**Yo:** Yarn over
